

Judging School lunch order - Sandwich wraps

\$12 includes tax, Water provided

I **need** to put in the order by at least the day before so they can be sure they can fill a large order at the time we need. Please call or text me at 401-297-6845 or email patsygc@gmail.com by Thursday September 5 at noon. Payment due the morning of the school, Friday September 6, cash or check to Patsy Cunningham

The restaurant has specified that they can only accept advance orders for wraps, as other items do not travel well. No other menu item available although gluten free wrap can be specified.

We have the school classroom only until 3, which is why there is only a short lunch break. Be aware that travel in this area is congested with tourist and an expected 10 minute ride can take a half hour or more, so there is no time for people attending the school to go out on their own to grab lunch. If you do not want to place an order, then please bring your own lunch or have another person pick one up for you

MENU CHOICES
